### **"Christ Is All"**

Colossians 1:1-14

Robin Boisvert

September 7, 2014

#### **Main Idea:**

The main idea of Colossians is the absolute and universal supremacy of Jesus Christ. The main idea of 1:1-14 is that God has given us great blessings through our trust in Jesus Christ.

#### **Main Points:**

1. Colossians is an apt sequel to the Gospel of Matthew because it interprets the meaning of Jesus' life, death and resurrection and gives its implications.
2. Jesus is central and supreme; he is Lord of all!
3. Paul thanks God for the Colossians' faith because when the gospel is learned and understood it has an effect.
4. Paul prays that they would be sustained in their faith.

#### **Fellowship Starters:**

1. Read the passage (reading the whole book takes about 15 minutes).
2. Discuss the importance of hearing, learning and understanding the gospel.
3. How can "thinking spiritually" be applied in your life?
4. Discuss the ways that we can be sustained in our faith.

#### **Discuss the following:**

The gospel: If you are a believer, you've got it. But the degree to which you understand it is the degree to which you will enjoy it and live in the good of it.
